To place an order for Deloitte Worldwide Partner pins, please send an email to one of the below addresses and include the following details:

Name  
Delivery Address Pin  
style number Quantity

**Karen.Varner@Staples.com** – US Domestic Delivery

**Heather.Albers@Staples.com** - International delivery outside of the U.S.

Once order requests are received, a representative will contact you to gather additional details as needed and provide you a quotation for approval.

As the quote is approved, payment details will be coordinated accordingly with Deloitte's approved global vendor in your region.

Production will begin after payment has been received. A more accurate delivery timeline will be provided during the quotation process as transit times may vary based on the final destination location.

Production lead times: estimated 25-45 days

US Domestic transit time: estimated 4-7 days

International transit time: estimated 1-2 weeks
