Inspire *Awareness*

With an increased focus on proactive care, your brand can join the fight by communicating the importance of early detection, screenings, nutrition, and fitness.

Each month brings a new opportunity to raise awareness about important causes. From communicating preventative screenings to driving awareness in the community, we have solutions for every special cause on the calendar.

Did You Know?

Less than 50% of adults 65 and older are up-to-date with essential preventative care services.

and

Fewer than 30% of adults 50 to 64 are current with core preventative services.
