

**Thank you for signing up for a Kubota Orange Days event. As part of the event, your dealership has been provided a \$750 allowance to purchase items and promotional products that you feel will help your event be the most successful. On this website, you will find the items that you can select from. If you go over the \$750 allowance, you will be charged the difference. This is different from years past as Kubota felt it would be best for each dealer to select the items that they wanted to have to support their Kubota Orange Days event. Good luck with your event and if you have any questions, please reach out to Jim Jorgensen @ [jim.jorgensen@kubota.com](mailto:jim.jorgensen@kubota.com).**

To start shopping click on the following URL and follow the below instructions for creating an account, applying your budget and checking out.
