Elevated Event Gifting: Online Pop-Up Shops

A Gift All Their Own

Create a memorable gifting experience for your event guests with a curated online shop that gives recipients the power to select gifts that are truly fulfilling.

How Does It Work?

We work with you to source a selection of gifts and build a custom online pop-up shop for your activation. Guests are then invited to order a gift of their choosing within a defined timeframe – before, during, or after your event – and we produce and ship the gifts all in one go!

No inventory commitment for your gifts.
Engage guests with personalized experiences.
Test audience demand for products.
