As your partner, we are committed to providing you with the best possible experience and service. Planning ahead allows Staples Promotional Products to help you meet your desired timelines.

TERMS AND CONDITIONS FOR STAPLES PROMOTIONAL PRODUCTS

Due to the custom nature of items that are specially made and/or decorated pursuant to customer's specifications ("Special Order Items"), sales on Special Order Items are final and cannot be cancelled by the customer for any reason. Standard return policies and/or any prior contractual terms pertaining to product return do not apply to such orders. Returns on Special Order Items will not be accepted unless such items are materially damaged or materially do not meet product specifications, in which case such items must be returned within ninety (90) days of customer's receipt of such items. The delivery date on Special Order Items is approximate.

The above pricing is valid for thirty (30) days unless otherwise stated. Applicable sales tax and final freight charge(s) will be added to customer's final invoice. Payment terms are net thirty (30) days; no discounts. Pricing does not include freight, taxes or duties and is subject to review upon receipt of customer's high-resolution artwork. If necessary, art charges may be incurred and invoiced at \$45.00 per hour. Production time is based upon receipt of order, artwork and after the approval of pre-production samples and/or virtual proof. Staples Promotional Products reserves the right, subject to notice to customer, to adjust the price of Special Order Items to reflect changes in imposed tariffs that affect the overall cost of such items. Special Order Items are also subject to product availability. If a Special Order Item is not available at the time of order, Staples Promotional Products will notify the customer and provide an alternative product option.

Quantities of all Special Order Items ordered are subject to a ten percent (10%) overage/underage allowance. Special Order Items ordered will be considered complete upon shipment and will be invoiced based on actual quantities shipped. Special Order Items may be sent in separate shipments.

Staples Promotional Products requires a purchase order for any order in excess of \$1000. In the event of a conflict between this policy and a customer's corporate purchasing policy, the customer's corporate purchasing policy will prevail.
