

Planet. People. Purpose.

A Guide To Creating Gifts You Can Feel Good About

Gifts You Can Feel Good About

Forward-thinking retail brands.
Eco-friendly products.
And the real impact of financial
contributions to nonprofits
working for a better world.

We're proud to be your partner
for environmentally and socially
responsible gifts. Whether you
want retail brands that give to
great causes, need products
made with eco-friendly materials
or would like to support a small
business, we'll help you create
gifts people can feel good about.

With so many retail brands and products, there are all kinds of ways to create gifts people will love — and make an impact. Looking for something specific? ProudPath™ retail brand partners and products can be found in these five categories.

Purpose Partners

Certified B Corps and other forward-thinking retail brands that are all in on environmental and social responsibility.

Brands That Give Back

Retail brands making a difference with charitable foundations, nonprofit partnerships, volunteer efforts and more.

Owner Diversity

Brands that are changing the face of traditional business.

Responsible Sourcing

Taking responsibility a step further with supply chain transparency, including certifications from third-party organizations such as BLUESIGN and the Forest Stewardship Council®.

Eco-Friendly And Sustainable Products

Products made with materials that are better for the planet — recycled plastic, organic cotton, FSC®-certified bamboo and more.

Purpose Partners

Certified B Corps and other forward-thinking retail brands that are all in on environmental and social responsibility.

Certified

Corporation

Brands That Balance Purpose And Profit

Certified B Corporations meet the highest standards of verified social and environmental performance, transparency and accountability.

100 Million Trees Planted

Together with
customers, tentree
has planted more
than 100 million trees.

Over 6 million of these trees can
be directly traced back to PCNA,
which is equivalent to restoring
over 2,900 acres of land.
